

Curriculum Leadership Development Network

5 Days of Learning
1 Powerful Cohort

Illinois ASCD's CLDN meets from January to May and will provide you with access to industry leading experts in some of the most cutting edge topics in education.

SCHEDULE

DETAILS

Megan Fuciarelli - Implicit Bias, Equity and Cultural Competence

Work within your school and/or district to create a culture that is equitable, efficient, and powerful for all. This workshop will offer practical solutions to enhance school curriculum, improve culture, and promote educational equity.

Carrie Kamm, Doug Lillydahl, Josh Barron - Professional Learning Communities

Learn how to beef up the functioning of PLC's in your school or district. Presenters will bring K-12 experience to supply tools, Data Drive protocols, agenda annotation techniques and Norms Inventories. Learn how PLC's link to success through using digital PLC approaches and by addressing formative assessment.

Jeanine Buishas Academic - Acceleration: Policy, Procedures, and Programming

The Accelerated Placement Act requires Illinois school districts to establish policies allowing for academic acceleration. This workshop will include research and rationale to support various forms of acceleration, opportunities for the review of district procedural guidelines, and detailed programming options.

Steve Oertle - Formative Assessment

Learn how to make your curriculum a dynamic curriculum. Seek deeper knowledge about Learning Intentions, Feedback Loops, and Success Criteria using feedback. Practice how to use the formative process to make the learning better by checking on the learning as it is going on to make the learning on-going.

Elizabeth Freeman, Karen Maturo, Matt Fuller, Joe Robinson - Blended Learning and Personalized Learning

Blended learning joins tech and traditional student/teacher interactions. See examples of how rotations, flipped classrooms and the flex model enhance learning. Learn how personalized learning paths recognize student variation in learning and enabling students to make informed learning judgements about how well and what they have learned and what comes next.
