

# What Can Be Learned from Great Business, Military, Political, Social & Sports Leaders

**Presented by Don Kachur** Administrator Academy 1782

**Live on-line or recorded: June 8, 2021- 9 a.m.- 2:30 p.m.  
with a one hour lunch break**

This leadership course will help participants review the characteristics of effective leadership, analyze the principles of leadership used by recognized leaders within business, military, political, social issues, and sports, and prepare a Developmental Application Plan to achieve success within their own educational setting.

Participants will be able to review leadership skills and qualities as demonstrated by leaders from the fields of business, military, politics, social issues, and sports, and be able to reflect upon the meaning and the application of those leadership principles and attributes to 21st century real life school situations (PERA-teacher evaluation, school improvement, staff training and retention, motivating students and staff, parental involvement, and technology challenges).

For those participants seeking Administrator Academy credit, they will create a Developmental Application Plan utilizing leadership skills and qualities reviewed in the course to address one major educational issue (e.g., school culture, school improvement, professional development, supporting teacher leaders, increasing parental involvement) needing attention in their school setting. This course is an updated version of AA #224 Developing Leadership Principles through the Study of Great Leaders.

**Who should attend:** Teachers, principals, district office staff and any educator interested in learning leadership skills.

This 6 hour Administrative Academy or PD Hours will involve 4.5 hours of live on-line sessions and a total of 1.5 hour of pre-reading and follow up planning.
