

ALL LEARNING IS SOCIAL & EMOTIONAL

FEATURING DOMINIQUE SMITH

Along with a toolbox of strategies for addressing 33 essential competencies, you'll find real-life examples highlighting the many opportunities for social and emotional learning within the K-12 academic curriculum. Learn to use this Integrated SEL approach to help your students build essential skills that will serve them in the classroom and throughout their lives.

Dominique will share techniques to support:

- Building students' sense of identity and confidence in their ability to learn, overcome challenges, and influence the world around them.
- Helping students identify, describe, and regulate their emotional responses.
- Promoting the cognitive regulation skills critical to decision making and problem-solving.
- Fostering students' social skills, including teamwork and sharing, and their ability to establish and repair relationships.
- Equipping students to become informed and involved citizens.
