

TEACHING WRITING IN SMALL GROUPS WITH JENNIFER SERRAVALLO

Drawing from Jennifer Serravallo's newly-released *Teaching Writing in Small Groups*, this session will show you how just a few minutes of purposeful, responsive teaching can have a big impact with your students. The emphasis will be on essential practices for optimizing small groups that will help you value each child's language and literacy practices, develop relationships with your writers, teach with efficiency, improve independence, and more. Jen's ability to break down complex concepts into actionable, doable steps will equip participants to be able to try out the ideas right away.
