

# ON A ROLL TO LITERACY

GAMES for Whole Class and Differentiated Literacy Centers

Live on March 22 3:30 - 5 pm CT or On-Demand

Games are easy to differentiate and integrate into your literacy program; whole class and also perfect for small differentiated centers. The ideas are also easily transferable to literacy backpacks for home practice!

Come prepared to play Jane's favorite games that work on the following concepts: learning the alphabet and its' sounds, word patterns and families, rhyme and spelling simple CVC words, vocabulary development, working with multi-syllable words, vowels, word play with synonyms, antonyms, questions, and more. The games incorporate literacy dice, letter tiles, and word decks and children's literature. Your handout will contain Black Line Masters so that you can play along, as well Jane will share many easy to integrate dollar store finds to adapt the games and activities.

Handouts will contain gameboards that can be used right away in your classroom. As you prep your students for year end assessment, the ideas for developing vocabulary and word knowledge will be perfect for providing engaged practice to your students.

COME PREPARED TO PLAY - CUT OUT YOUR LETTERS, BRING SOME DICE AND GET READY TO GET YOUR LITERACY PROGRAM ROLLING!

Jane Felling is the author of the award winning Box Cars and One-Eyed Jacks series and has been a leader in the area of games as a teaching strategy for over 30 years. She has worked with many districts across North America during her consulting career. Her research for her masters was in the area of games and teaching strategies and she continues to teach K - 8 and special education as part of her' contracts. She is passionate about helping teachers with implementing engaging and effective teaching strategies and is known for her high energy presentation style.
