

**October 3, 2022**

**3:30 – 5:00 pm CDT**

**Live Streamed and On-Demand**

# **K-2 MATH GAMES**

*& Strategies for Teaching*

# *Place Value*

**PRESENTED BY JANE FELLING**

**OPEN TO TEACHERS ACROSS THE  
US AND CANADA**

Jane Felling is the author of the award winning Box Cars and One-Eyed Jacks series and has been a leader in the area of games as a teaching strategy for over 30 years. She has worked with many districts across North America during her consulting career. Her research for her masters was in the area of games and teaching strategies and she continues to teach K - 8 and special education. She is passionate about helping teachers with implementing engaging and effective teaching strategies and is known for her high energy presentation style.

## **Who Should Attend?**

**Kindergarten to  
2nd grade Teachers  
English Second  
Language and  
Special Ed Teachers**

**1.5 PD Hours**

Place value concepts form the foundation for success in all areas of the math curriculum. Place value needs to remain front and center in your teaching as you work through the rest of the year. If your students do still have gaps or learning loss, this is a workshop that will really help you rebuild their confidence and competence.

You know where your students are after the start of school and this workshop will help you continue to work on solidifying the following concepts:

- composing/decomposing numbers
- comparing numbers to one-hundred to one-thousand
- identifying place value holders
- understanding 10's, 100's, 1,000's and representing with manipulatives and pictures
- developing the foundation for rounding and expanding numbers
- using number lines for patterns and estimating sums and differences

Throughout the workshop participants will play games that incorporate the use of cards, dice and number lines, and get ideas for easily differentiating the activities so that all learners can be engaged and successful. Games can be used in centers, small groups or in whole class instruction. You will receive an extensive PDF handout with gameboards, math journal and math talk extensions, and concept skill checklists for assessment. This is a hands-on session. PARTICIPANTS NEED TO HAVE ON HAND A DECK OF CARDS AND 8 REGULAR DICE, A COPY OF THE PDF HANDOUT. Optional 0 - 100 number line and place value dice. PARTICIPATION DOOR PRIZES, COME PREPARED TO PLAY.

**WE WILL HAVE PARTICIPANT DOOR PRIZES!!**

**COME PREPARED TO PLAY!!**

Jane Felling and John Felling Math Games  
 Live: October 3, 5, 17, 19 - 3:30pm-5:00pm - On Zoom.us  
 Available on-demand until SEPT 15, 2022
